ACTIVE ENERGY

Vegetology Active Energy is an all-natural stimulant-free multivitamin, scientifically formulated to help fight fatigue and support daily performance levels. It combines energy-yielding vitamins and minerals with Adaptogenic herbs used in traditional Chinese medicines to effectively reset the body clock. Active Energy helps fight fatigue during the day by boosting the metabolism, whilst at night it slows the metabolism to help the body relax.

Key Benefits

The nutrients in Active Energy contribute to:

- the reduction of tiredness and fatigue
- normal energy-yielding metabolism
- maintain the normal function of the immune system during and after intense physical exercise
- normal oxygen transport in the body
- normal formation of red blood cells and haemoglobin
- normal psychological function, cognitive function, and mental performance
