CALCIUM + VIT D3 + VIT K2

Calcium is essential for maintaining strong bones and teeth, and supporting muscle function. This chewable Calcium tablet provides a convenient source of this essential mineral, complemented by vegan vitamin D3 to enhance calcium absorption and support growth and bone health. With vitamin K2, to help ensure calcium is directed to where it's needed most, supporting overall bone strength and arterial health. 1-2 tablets per day is perfect for those looking to maintain optimal calcium levels.

Key Benefits

Calcium is needed for the maintenance of normal bones & teeth and contributes to:
- **normal muscle function.**
- **normal neurotransmission.**
- **normal energy-yielding metabolism.**

Vitamin D3 contributes to:
- **maintenance of normal bones & teeth.**
- **normal absorption/utilisation of calcium.**
- **normal blood calcium levels.**

Vitamin K2 contributes to:
- **maintenance of normal bones.**
- **normal blood clotting.**
- **directing calcium to bones for healthy bone and heart function.**
